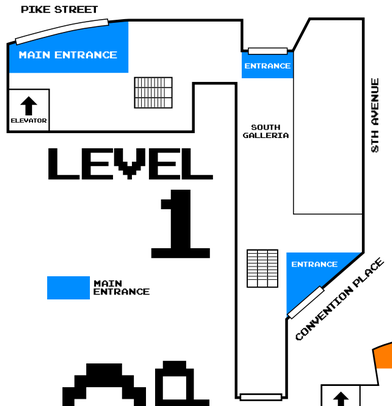
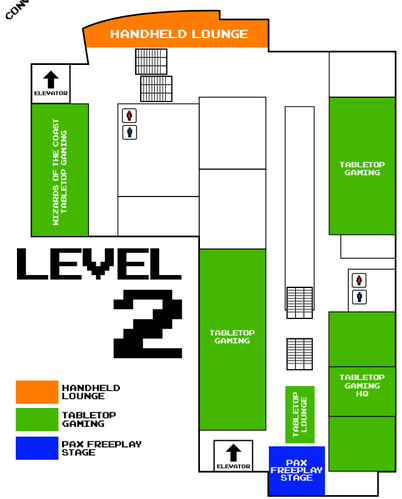
To registration! On-site registration and international will call are located in the Grand Hyatt Lobby on 7th and Pine.

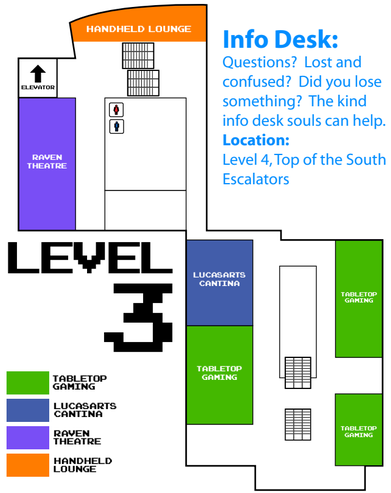


WORLD MAP

Welcome to PAX! As a general philosophy, PAX is about having fun, hanging out with like minded folk and pretty much soaking in everything that is awesome about gaming culture. As we've grown in size (can you believe there will be over 50,000 people here this weekend?), our content lineup goes deeper and deeper, making the sheer volume of stuff to do a bit intimidating.

Satellite Theatres: With over 100 panels, events, demonstrations, and screenings, we don't envy the decisions you'll have to make! See the schedule for more details.
Raven Theatre: Level 3 Room 3AB
Unicorn Theatre: Level 6 Room 611
Serpent Theatre: Level 6 Room 6D
Wolfman Theatre: Level 6 Room 602





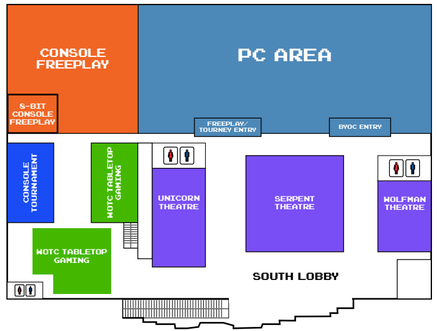
Info Desk: Questions? Lost and confused? Did you lose something? The kind info desk souls can help.
Location: Level 4, Top of the South Escalators

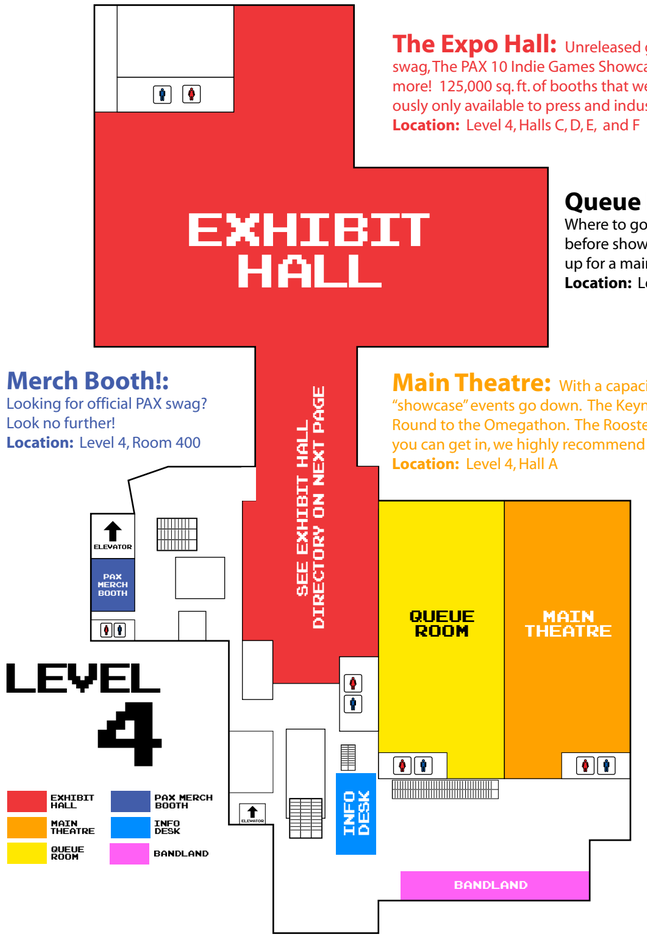
Tabletop: Settlers of Catan, Munchkin, Carcassonne, Citadels and Zombies!, Battlestar Galactica, UFS, Pokemon, and more! If it utilizes dice, spinners, chits, or minis, you'll find it in PAX Tabletop. We have tournaments (check the schedule for times) and freeplay areas spanning three whole floors, and dedicated areas sponsored by Wizards of the Coast for Dungeons & Dragons and Magic.
Location: Levels 2, 3, and 6

Handheld Lounges: You may notice a few beanbags lying around PAX. Quiet and unassuming, at times they are mistaken for the classiest of decor, but those that take advantage of these are *richly rewarded*. Move them around. Take a nap. Play DS games with your new buddy Blue_Sparkz4lyfe. Join in an unofficial tournament. Relax.
Location: Level 2 & 3 North Lobbies

The Expo Hall: Unreleased games, free swag, The PAX 10 Indie Games Showcase and more! 125,000 sq. ft. of booths that were previously only available to press and industry insiders.
Location: Level 4, Halls C, D, E, and F

Queue Room: Where to go if you arrive before show hours, or to line up for a main theatre event.
Location: Level 4, Hall B





Merch Booth!: Looking for official PAX swag? Look no further!
Location: Level 4, Room 400

Main Theatre: With a capacity of over 6,000 humans, this is where the "showcase" events go down. The Keynote. The Gabe and Tycho Panel. The Final Round to the Omegathon. The RoosterTeeth Panel. The Nerdcore Concerts. If you can get in, we highly recommend it.
Location: Level 4, Hall A

PC Area: Sponsored by Intel, one of the largest LANs in America takes place inside PAX with over 420 Bring-Your-Own-Computer slots (sorry, we're all sold out!) and 430 Freeplay computers. PC tournaments, giveaways, and trying out the latest PC games happens here.
Location: Level 6, Halls A, B, and C

Console Freeplay: Console Freeplay has new titles, old titles, party games, obscure games -- everything you can imagine! Come play with friends and strangers alike.
Location: Level 6, Hall E

Console Tourney: Interested in competing against others in Super Smash Brothers Brawl, Street Fighter 4, or Halo 3? Check out the schedule for tournament and registration times!
Location: Level 6, Rooms 618-620
